<td>Most things that plug in or take batteries. Also smoke or carbon monoxide detectors, cell phones, ink/toner cartridges, CDs/DVDs, cords/wires and batteries.</td>
<td>VHS/Cassette Tapes, Floppy Disks, exit signs, vacuum cleaners and anything containing compressed refrigerant such as mini refrigerators.</td>
</tr>
</tbody>
</table>

**Green Star of Interior Alaska** is a local non-profit that encourages and enables our community to reduce waste and increase recycling.

This recycling guide was sponsored by the Borough's Recycling Commission and Design Alaska. Generous donors and loyal volunteers help us provide:

- **Electronics Recycling Depot**
- **Fairbanks Recycling Guide**
- **Special Event Recycling**: Midnight Sun Festival, Golden Wheel Amusement's Summer Spectacular, etc.
- **Education/Outreach**: Presentations, Recycling Curriculum Kits.

To learn more about volunteering with Green Star of Interior Alaska or to sign up for occasional e-mails, please visit: [http://iagreenstar.org](http://iagreenstar.org).
